Spoken English Junior

Make your child future-ready with 10 Minute School's offline program, Spoken English Junior. This program complements the school curriculum by focusing on speaking and communication. Rather than being text-heavy and memorization-focused, we have designed the classes with activities and real-life experiences. In each class, students will engage in conversation, group and individual tasks, games, and many more engaging methods of experiential learning.

Best in Country Teachers

Nationally renowned instructors with more than 9 years of English teaching experience.

Learning by Doing

50% of each class comprises guided activities by the students, where students learn the application of English by applying it in real-life contexts, which is the most scientific method of language acquisition.

Multimedia Classroom

Personal Counselling

Consult with teachers and academic coordinators in a personal session regarding your child's growth and challenges.

Language Club

Your child will learn beyond classrooms by participating in debate and case study competitions, extemporaneous speech, essay competitions etc.
